

# Professional Dog Training

## By Linda Randall

**W**e offer in hospital training by a professional dog handler! Your dog can learn obedience and manners while here getting groomed or boarding!

Linda is our on site groomer. She also is a professional handler of show dogs and has extensive experience training dogs for obedience, showing and therapy work! She is an AKC certified CGC (canine good

citizen) evaluator and her dogs can be seen winning shows as well as visiting hospitals. They are also loving, obedient companions.

Linda uses the latest techniques in positive reinforcement to safely and humanely train your loved pet. Before you know it your dog will be sitting, staying, laying down and healing. They might even learn a trick or two!
